Hi Raadha Talluri,

Thank you for taking part in the recruitment process for the HW Engineer, RF Power Amplifier position at Nokia. We greatly appreciate the time and effort you've invested in sharing your interest with us.

After careful consideration of your skills and experience against the requirements of this role, we have determined not to move forward with your candidacy at this time. We hope you will continue to consider Nokia as an employer and will apply to future positions that may better align with your current skills and/or future ambitions.

If you indicated at the time of application that you would be open to additional opportunities beyond this role, we will keep your details in our database for consideration by our talent teams for future openings. In the meantime, we encourage you to follow us on LinkedIn to stay updated on the latest news and job openings.

Best Wishes,  
Nokia People organization
