Subject: Radha Bhagath Rao Talluri - JR10345430 Satellite Control Center (SCC) Systems Engineer HW/SW (d/f/m) (CAND12890430)

Dear Radha Bhagath Rao Talluri ,

Thank you for taking the time to complete your application for our Satellite Control Center (SCC) Systems Engineer HW/SW (d/f/m) role. You are now one step closer to joining our Airbus team!

Your application will now be reviewed by our dedicated recruitment team - we will be in contact soon regarding the progress of your application.

Remember you can check the status of your application at any time by logging into your candidate account:
<https://ag.wd3.myworkdayjobs.com/Airbus/userHome>

If you require a new password, you can click on "Forgot Password" to receive a new one.

Should you need any technical support, please contact us at erecruiting@airbus.com.

In the meantime, if you are keen to learn more about our company, you can take a look at our website:
<https://www.airbus.com/careers/airbus-life>

Yours sincerely,

AIRBUS recruitment team
