Travelling during the current COVID-19 pandemic

Airlines, airports and countries around the world have introduced a variety of restrictions which may apply to your journey. This may include the mandatory use of Personal Protection Equipment (PPE) such as face masks, as well the use of temperature checks and/or other COVID-19 tests at various points on your journey. In addition, mandatory quarantine requirements are in place upon arrival into certain countries. We urge you to please familiarise yourself with these requirements prior to travel.
